New Students

Because Covid 19 also many people have lost their jobs or are in a bad financial situation. That is the reason why we have taken four new students in our programme.

They were already

attending school, but were not able to pay the school fees any more. They had to stay at home and did not learn anything anymore. Now they have the security to go to school every

day and get a warm meal.

In order of appearance we have

Wendy, she is already in form 2, but had already trouble

with school fees last year. In form 1 we have **Charles, Beatrice and Rodney**.

In our next newsletter we can give you their results as well.

Gift

One of our sponsors gave us a legacy. Although she will be missed, we are very thankful for the gift.

We wish you all a good summertime and hope that you stay healthy.
