### Change of schoolyear and results

Because of Covid19 our students had to stay at home for a long period and we thought that the year 2020 would be lost for them.

But in May 2021 the students in form 4 have passed their exams instead of in December 2020.

Their results are:

Brevin Osoro	B+
Faith Chalangat	C+
Sherik Atieno	C+
Judith Atieno	C
Dennis Arusi	C-
Gloria Akinyi	C
Kevin Kipkemoi	D+
Victor Ouma	D+
Solomon Ochieng	C-
Susan Atieno	D

Three of our student scan go to university or a similar education:

Brevin Osoro, Faith Chelangat en Sherick Atieno.

Very smart in this difficult time!

Brevin Osoro

Sherick Atieno

Faith Chelangat

Because of the different time of the final exams, the new school year has started the first of July 2021 instead of the first of January 2021.

This is a big change we all have to adjust with.

You, our sponsors, have supported this students till the end of this year and we hope you'll continue to do so for these 3 bright students and also for the 6 or 7 new students we want to take in out program to replace the ones that have finished now.

### Spontaneous action

One of our sponsors has helped a family in distress. A single mother with 4 children got sick. She suffered from malaria and paratyphoid and didn't have the money to buy the necessary medicines. In such a case the family is in desperate need of help. Thanks to our sponsor she got the medicines, got heathy again and received some clothes for her children. The two young children are going to kindergarten now. This family has a better future now and the mother is able to smile again.

Marvellous action!

**We wish you all a good summer and we hope that you all stay healthy.**
